

Naman Kamble

Pune, MH | Phone no: +91 7709882463 | namankamble1999@gmail.com | <https://github.com/namankamble>

PROFILE

Enthusiastic Data Scientist and machine learning engineer with 1.3 years of experience delivering actionable insights through advanced analytics and machine learning techniques. Proficient in Python and SQL, with a focus on extracting meaningful patterns from complex datasets. Collaborative team member skilled in data preprocessing, modelling, and visualization. Passionate about leveraging data to drive informed decisions and achieve organizational goals.

WORK EXPERIENCE

Star Engineers India Private Limited

Production Operation Analyst

Pune, MH

Nov 2023 – Present

- Conducted regular data audits to maintain compliance with company policies and industry regulation.
- Utilized data analysis tools to generate comprehensive reports, and insights into facilitating informed decision making.
- Demonstrate strong attention to detail in maintaining precise records, contributing to improved resource allocation.

Boffin's Data Science Academy

Data Processing Intern

Nagpur, MH

Jan 2023 – Aug 2023

- Write Python scripts to extract data from a database and save it to a CSV file.
- Use SQL to query a database and create a new table with aggregated data.
- Assist a data scientist with building a machine learning model.

EDUCATION

BOFFINS DATA SCIENCE ACADEMY

Data Science and Machine Learning (Python)

Nagpur, MH

Sep 2022 – July 2023

Relevant Coursework: Python, MySQL, Rest APIs, Data analysis, Machine Learning and Deep Learning.

RASHTRASANT TUKADOJI MAHARAJ NAGPUR UNIVERSITY

Bachelor of Engineering – Electrical Engineering – SGPA (6.4 / 10)

Nagpur, MH

Aug 2020 – Oct 2023

Relevant Coursework: Power System, Electrical Machines, Control System, and Power Electronics.

TECHNICAL SKILLS

- Proficient in Python, SQL and Power BI for data analysis and machine learning tasks
- Strong understanding of statistical analysis and modeling techniques
- Familiarity with deep learning frameworks like TensorFlow and Scikit Learn
- Experience with data preprocessing, feature engineering, and model evaluation
- Advanced knowledge of machine learning algorithms such as regression, classification, and clustering
- Experience with version control systems such as Git and collaborative platforms like GitHub

CERTIFICATIONS

- Certificate Course in Data Science and Machine Learning from Boffin's Data Science Academy (2023)
- Certificate Course in Python and MySQL from Boffin's Data Science Academy (2023).

LANGUAGES

Languages: Fluent in Hindi, Marathi, and English.
